AMANDA BERNSTEIN

We are proud to be celebrating the achievements of the teams who bring the best of British content to life, and who we are lucky enough to work with every day ... we are excited to celebrate their wonderful work and of all those nominated, as well as support the British Film Designers Guild throughout 2024.

Stephanie Dade, Senior Vice President, Global Content & Integration at BENlabs Platinum Sponsor

GOLD Sponsorship of the Awards includes being named alongside the event in all pre and post communications, your brand on all screens throughout the evening. A choice of award category to support and being introduced at the beginning of the evening by Mark Kermode. Plus much more ...

Choose your award category and take to the stage

We are delighted to continue our support of The British Film Designers Guild and their annual Production Design Awards. These awards recognise and celebrate the achievements of the Production Design and Art Departments working in our industry and shine a light on the talented individuals whose contributions bring film and TV productions to life on our screens

Emily Stillman, Vice President, Warner Bros. Studios Leavesden

As a sponsor you have the opportunity to take to the stage to introduce your support of the Art Department and present to the winners, alongside Mark Kermode, as well as being interviewed and featured in his award podcast.

Align your support with your company values

Sustainability has always been a priority for us in the creation of Sky Studios Elstree, and we're proud to have some of the most ambitious studio sustainability goals in the world. That's why we're thrilled to be sponsoring the BFDG Planet Positive Award. We hope that by recognising the incredible work of the nominated productions we will inspire and guide the industry towards a greener future.

Noel Tovey
Managing Director, Sky Studios Elstree

You can choose the category or feature of the night to support, and align your work and brand. You will be featured alongside the winners in all photographs and PR and depending on the category, interviewed for the Work In Progress Podcast with Mark Kermode.

Watch on YouTube

The image is a YouTube video player thumbnail. It features a dark blue background with technical drawing elements like lines, circles, and numbers (70, 28, 13, 40, 47, 25). On the left, there's a vertical yellow and green bar. The text is arranged in a clean, modern layout. A red play button icon is centered over the main title. A 'Share' button with a play icon is in the top right corner. At the bottom left, there's a 'Watch on YouTube' button with the YouTube logo.

“This is honestly my favourite gig. You are the coolest people I get to meet all year!”

Mark Kermode

PRESS AND PR

A snapshot of the PR generated around the 13th Awards.

The British Film Designers Guild (BFDG) Awards took place last Saturday 25th February at the glamorous The Londoner hotel, Leicester Square and announced the worthy winners in the 13th Production Design Awards, supported by BENlabs, including *Poor Things*, *Saltburn* and *One Life*.

Winners in the film categories included *One Life* (Christina Moore, Aline Leionello, Philippa Hart), *Saltburn* (Suzie Davies, Caroline Barclay and Charlotte Dirickx) and the recent BAFTA Production Design winner *Poor Things* picked up Best Production Design in the Major Motion Picture Fantasy category (James Price, Shona Heath, Adam Makin, James Lewis and Zsuzsa Mihalek).
